3 BUILDING IMPROVEMENTS

We have spent this time making amazing new improvements to LTVB!

APRIL 9, 2021 - MAY 2, 2021

CONCEIVED AND DIRECTED BY
ROBERT SHIRLEY

A songfest filled with hope and courage is sure to put a smile on your face as we travel out of these difficult times. Join us as many of the area's most talented singers perform pop songs, standards, and Broadway musical selections from shows including Carousel, Man of La Mancha, Annie, Hamilton, The Wiz, and more. We journey through a year of isolation, inspiration, social justice, hope, and survival to arrive at a new day. A cast of four women and four men take us on this journey.

4 COVID-19 PATRON PROTOCOLS

Know before you go! Read our new safety protocols as we slowly reopen.

2020-21 REIMAGINED SEASON!

LTVB returns to live performances in April, and we hope you will join us! Below is a list all of the shows we have planned for this season, through August 2021. There are three “main stage” and three “Spotlight Series” shows. Season passes can be used for all shows including, for this season only, the Spotlight shows and the summer musical! All current government guidelines for pandemic safety will be followed, including socially distanced reserved seating and traffic flows, wearing of masks, taking temperatures, and cleaning procedures.

Season passes are available for this revised season.

- We are offering five-pass and three-pass Season Passes, as well as an eight-pass option that is good for this season and next season (through June 2022). All are great values!
- As always, LTVB Season Passes are flex-passes. You can use your passes to “bring a friend.” Or two or three friends!
- For passes already purchased: we are offering the option to roll your pass over to the 2021-22 Season, starting in September.
- Once you use a pass this season, you cannot roll any remaining passes over. Essentially you must “use them or lose them” this season.

TICKETS ARE CURRENTLY AVAILABLE FOR SONGS FOR A NEW DAY AT LTVB.COM, OR BY CALLING OUR BOX OFFICE VOICEMAIL AT 757-428-9233.

ALCOHOLIC BEVERAGES

LTVB is now selling pre-packaged alcoholic beverages before our shows and during intermission. Alcoholic beverages will include beer, wine, hard seltzer, and vodka cocktails. In addition to alcoholic beverages, LTVB will sell diet and regular Coke, bottled water and snacks. Beverages and snacks may be pre-purchased when you buy your ticket or exchange your season pass online. Our introductory prices for non-alcoholic beverages will be between and \$1 and \$2, and alcoholic beverages will range from \$5 to \$10.

Your pre-purchased beverage/snack of choice will be available for pickup at the kitchen bar when you enter the theatre. If you decide to wait until you arrive at the theatre, you may still purchase a beverage and/or snack. All beverages and snacks can be consumed inside the theatre.

LTVB will follow all ABC Guidelines in the selling and consumption of alcoholic beverages. As such, LTVB will:

- Require proof of age for anyone under 30.
- Limit the purchase of alcoholic beverages to two (2) drinks per person at a time.
- Require proof of age at the time of pickup if you have pre-purchased your drink.
- Reserve the right to refuse to sell you alcohol if you appear intoxicated.

Please note that LTVB will no longer provide free coffee, soda and cookies during intermission. You may recall that prior to the pandemic, LTVB volunteers poured soda and coffee into open cups and placed cookies on trays in the lobby during intermission. The Board of Directors determined that this practice should not continue because of health safety concerns.

In addition, the water fountain in the lobby cannot be thoroughly sanitized after use during performances. Patrons attending shows are welcome to bring their own bottled water for consumption in the theatre.

We hope you will be pleased with the selection of beverages and snacks for purchase. It is our goal to make your theatrical experience even more enjoyable. Proceeds from the sales of snacks and beverages will allow us to fund future repairs to our aging building, improve the safety of the premises, and continue to produce quality theatrical productions.

BUILDING IMPROVEMENTS

The safety and comfort of our patrons is very important to us at LTVB. To that end, we hope you noticed our NEW parking lot as you made your way into the building. No more undulating pavement!

Once inside the lobby, you will notice our social distancing protocols and guides to traffic flow throughout the building. Our auditorium has been socially distanced, also. We can now only hold a maximum of 43 patrons per show.

In the auditorium, we have installed handrails in each stairway. And we have upgraded our understair lights to provide greater illumination when entering and exiting the seating area.

We are very pleased to be welcoming our patrons back to LIVE theatre in as safe an environment as possible.

PROTOCOL FOR PATRONS DURING COVID 19

As we resume live productions at Little Theatre of Virginia Beach, the Board of Directors want to assure patrons, cast and crew, that safety will be our guiding principle.

PROTOCOL FOR PATRONS DURING COVID 19

Ticket purchases can only be made online or by phone. We will not be selling walk-up tickets at the box office at this time. There will be a list at the entrance confirming reservations and names will be checked off the list to avoid handling of tickets.

Playbills will be provided online and posted in the theater at various locations. No physical playbills will be available in order to help contain the spread of the virus.

Patrons with special needs are to call LTVB (757-428-9223) to arrange for early entrance.

NO ONE CAN ENTER WHO

- Has a cough, fever or trouble breathing
- Has been in contact with an individual within the past 14 days who has been diagnosed with or has presented symptoms of Covid.

Patrons are required to wear masks at all times in the building.

Temperatures will be checked upon entering the theatre. Anyone with a temperature of 100.4 degrees or higher will not be allowed to enter the theatre.

Entrance and exits will be clearly marked to allow for appropriate social distance.

There will be assigned seats to allow for social distancing. Your ticket will indicate your row and seat number. (Seats unavailable for use will be taped off.) Performers will also be socially distanced from the audience.

Seating will be immediate after check in. This will help maintain social distancing in the lobby.

Touchless hand sanitizer will be available in the lobby.
