

## AUDITION SIDE FOR TRAVIS YOUNGER

*(Moment before: Travis is preparing for school.)*

**Travis:** Mama, this Friday, (gleefully) Check coming tomorrow coming, huh? (eating) This is the morning we supposed to bring fifty cents to school. Teacher say we have to. You think Grandmama would have it? (outraged) Gaaaaleee! I don't ask her, she just gimme it sometimes! Maybe daddy! (he gets quiet, then suddenly) Could I maybe go carry some groceries in front of the supermarket after school, then? (She tells him no. Travis sulks then says angrily) I'm gone.
